

DUCT SPLIT SYSTEM

BOSCH

Invented for life

Bosch Heat Pump

Ducted Split System

The robust Bosch Ducted Split Air Source Heat Pump system utilizes just the right amount of energy to achieve ultimate comfort and maximum efficiency while keeping sound levels to a minimum.

Environment Friendly-R410a

R410a

Multiple Protection

With Multiple Protection contents: High pressure protection, Low pressure protection, Compressor overloading protection, High Ext. temperature protection, Phase protection (Phase-loss, phase-reverse), Over-heating protection, Anti-freezing protection, Sensor failure alarm, Failure code display, etc. The compressor could well run in reasonable operation range.

Fresh Air Intake

Fresh air makes healthy, comfortable life.

Wifi Control

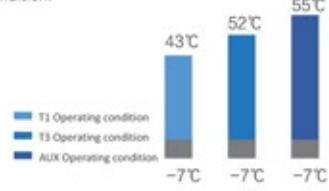

The optional WiFi modular makes it possible to monitor and control your AC while on the road through APP on your mobile phone or pad.

Tropical
50Hz&60Hz

Up To 55°C Running

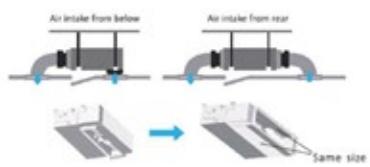

Enjoy excellent performance even under ambient temperature up to 55°C, suitable for T3 operating condition.

Flexible Air Intake Options

Air intake from rear as standard, from bottom is optional.

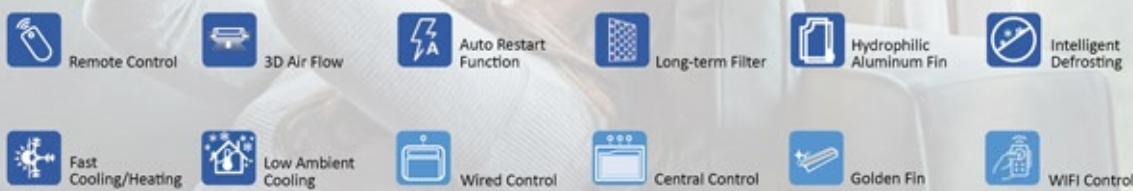

The size of the plate from bottom is the same as the flange from back, which makes it convenient to change installation style due to different decoration requirements.
